Dear Prairie River Camp Partners,

The water just keeps coming doesn't it? It's not like last year at all, it's the complete opposite. We have been cleaning up some water, as some of you all have. This last Middle School Camp we had some campers from Sioux City, Iowa. Some of the people in that group had been through a lot with the flooding. A number of campers from Sioux City were unable to come to Camp. We had thirty-nine Middle School Campers at Camp. The Holy Spirit worked in powerful ways. Thirteen campers said, "Yes!" to a relationship with Jesus for the first time in their lives, twenty campers said, "Yes again" to a relationship with Jesus, and four said they weren't ready to say yes to a relationship with Jesus, yet. We also had twelve High School students helping with the Middle School youth, and twenty one adults helping.

On night two, Preston, our speaker had communicated that students were in tears, asking for prayers, kneeling at the altar, surrendering. Chains are breaking! A Cabin Leader, early in the week, communicated that the girls that were in her cabin were starting to open up to her about what was going on at home. She thought mostly the girls were struggling with the death of someone that was in their family, and they were also trying to find their identity with Christ. **By the end of Camp the two girls that had been in this cabin said, "Yes!" to a relationship with Jesus for the first time in their lives! Praise God!!!**

Thank you for supporting this ministry of introducing lost youth to Jesus.

Reaching youth,
