JUNE 2024

Dear Prairie River Camp Partner,

I hope you are doing well in our Lord, Jesus Christ. As we prepare for this year's PRC Middle School Camp, we ask for your prayers. Prayers for changed lives and special encounters with the Lord, Jesus Christ. Please pray for our Cabin Leaders, Speaker, Worship Leader, Cooks, Nurse, Activity Leaders, all others who are helping with this year's Camp, and especially the campers. We have had so much rain. It is wet and there are a lot of bugs. We need the Holy Spirits working in powerful ways.

I think we have been running our current Camp model for twelve years. Introducing lost youth to the Savior of the world, Jesus. Many youth have trusted Christ as Savior over the years. Praise God!!! We love youth and tell them about Jesus. A student we worked with a few years ago wrote, "It was really cool to meet new people and staff who cared." Kids know if you care about them or not. One thing that I feel we have always been strong on, is having people who love and care for youth.

Thank you for your support. **We have surpassed the matching funds we have been given. Praise God! We're excited to be a part of what God has in store for this year.** Thank you for your partnership that makes these Camps possible. We love sharing Jesus with lost young people.

Reaching kids,
